

Math Department - Accounts

All members of the Math Department are eligible for an account on the department fileserver, "**gauss.math.yale.edu**". If an account is needed, please send mail to: math.support@yale.edu.

Computing Lab - (located at 10 Hillhouse, Room 405)

The home directories from the department's fileserver are mounted on the linux machines that are identical in configuration. There are plans to replace/update the one windows machine in the lab.
