

WILHELM SCHLAG

CURRICULUM VITAE

EDUCATIONAL HISTORY

- M. S. Technical University of Vienna &
 University of Vienna, 1992
- Graduate Studies UC Berkeley 1992-95, Caltech 1995-96.
- Ph. D. California Institute of Technology, 1996. Graduate Advisor Thomas Wolff
- PostDoc IAS Princeton, Princeton University, 1996-1999

PROFESSIONAL HISTORY

- 2021- Phillips Professor of Mathematics, Chairman of the department
- 2018- Professor, Yale University
- 2017-18 Visiting Professor, The Institute for Advanced Study, Princeton
- 2017-18 H. J. Livingston Professor, The University of Chicago
- 2005-2018 Professor, The University of Chicago
- 2001-2005 Professor, California Institute of Technology
- 2001 Member, The Institute for Advanced Study, Princeton
- 1999-2001 Assistant Professor, Department of Mathematics, Princeton University
- 1997-1999 Instructor, Department of Mathematics, Princeton University
- Fall 1997 Member, MSRI Berkeley
- 1996-1997 Visiting Member, The Institute for Advanced Study

AWARDS & HONORS

- 2009-2010 Guggenheim Fellow
- 2001-2005 Sloan Fellow

EDITORIAL BOARDS

- 2023- Managing editor, Inventiones Mathematicae
- 2022 Advisory board, GTM Springer
- 2021- Calculus of Variations and PDE

2019-22 editor, *Inventiones Mathematicae*
2013-2020 *Communications in Mathematical Physics*
2010-2019 *Journal of Spectral Theory*
2016- *Communications in PDE*
2008-18 *Bulletin et Memoires de la SMF*
2010-19 *Transactions and Memoirs of the AMS*
2001-2018 *Geometric and Functional Analysis*
2004-2018 *Analysis and PDEs*

FUNDING

2021- NSF grant DMS-2054841
2019-2021 NSF grant DMS-1902691
2016-2019 NSF grant DMS-150069
1999-2016 Continuously funded by the NSF, Division of mathematical sciences

INVITED TALKS

2018 Di Perna lecturer, UC Berkeley
2017 Invited Speaker, Tosio Kato Centennial Conference, Tokyo
2015 Essen Lectures, Uppsala Sweden
2014 ICM Seoul, invited speaker
2012 Plenary Speaker, Joint AMS meeting, Boston, January 2012
2012 International Congress Math. Physics, Plenary Speaker
2011 Wolfe lecturer, Rice University
2011 Wolff lectures, Caltech
2010 Zürich lectures in mathematics, August-December, ETH
2010 co-organizer, Nonlinear Waves meeting, January-March at the Erwin Schrödinger Institute, Vienna
2006 Kempf lecturer, Johns Hopkins University, 2006.
2006 Riviere-Fabes symposium, principal lecturer, Minneapolis
2004 Invited speaker, PDE meeting, IAS Princeton

2003 Invited speaker, International Congress in Mathematical Physics, Lisbon
2003 co-organizer, IAS Park City Summer School in Analysis and PDEs, 2003
2002 “Western States” spectral theory meeting at Caltech
2002 Spring Lecture Series at University of Arkansas
2002 Riviere-Fabes lectures, Minneapolis
2001 “Dahlberg conference”, Göteborg, Sweden
2000 “Lyapunov Exponents meeting,” Institute for Advanced Study, Princeton,
NJ
